William Osler Health System

Going Beyond

Our client, William Osler Health System (Osler), is one of Ontario's largest community hospital organizations delivering extraordinary healthcare through more than 650,000 patient interactions every year. With three hospital sites, Brampton Civic Hospital, Etobicoke General Hospital, and the new Peel Memorial Centre for Integrated Health and Wellness, Osler offers a wide range of health services provided by skilled health professionals working in multidisciplinary teams within a caring, supportive environment.

With a mission to provide innovative health care delivered with compassion, the organization currently has 976 beds, over 6,000 staff, 960 medical staff and 1,200 dedicated volunteers delivering patient-inspired health care without boundaries. Osler is seeking an exceptional clinician who can provide visionary Critical Care leadership. Join Osler's leadership team as:

Medical Director, Critical Care

The successful candidate must possess an FRCPC or FRCSC in a relevant discipline in addition to Fellowship training in Critical Care or equivalent, be eligible for licensure in Ontario, have strong clinical leadership capabilities, and possess superior interpersonal & communication skills. An accomplished clinician with vision and a flair for inspiring people will welcome this opportunity to lead the dynamic Critical Care team in the effective delivery of clinical services in alignment with the mission, vision, values, policies, and objectives of Osler.

Reporting to the Vice President, Medical Affairs, Research and Academics, the next Medical Director, Critical Care will advance Osler's mission and vision for excellence in the provision of healthcare services. This is an exceptional leadership opportunity in an outstanding organization complete with an attractive compensation package.
