

Adult Critical Care

Victoria, BC

The Department of Adult Intensive Care of the Vancouver Island Health Authority seeks an enthusiastic and collaborative Adult Critical Care specialist to join our team of seven members.

We are a growing department providing services integrated across two tertiary hospital sites in Victoria. Affiliated with the University of British Columbia, and the Island Medical Program, responsibilities will include direct clinical care with some teaching of medical students and residents.

Eligible applicants must hold certification from the Royal College of Physicians and Surgeons of Canada in Critical Care Medicine and be eligible for full licensure with the College of Physicians and Surgeons of B.C. Candidates interested in participating in multi-center clinical trials and quality assurance will be considered an asset.

Victoria, the capital city of British Columbia is world-renowned for its natural beauty and temperate climate. Located on the southern tip of Vancouver Island with proximity to Vancouver and Seattle, Victoria offers unlimited possibilities for your career, family and future!

Applications are being accepted until Jan. 31, 2012. To apply, please forward a letter outlining your interest and attributes, CV, and names of three references to:
