

2024 CANADIAN CRITICAL CARE REVIEW (CCCR) PROGRAM

June 8 – 9, 2024

Toronto Airport Marriott Hotel, Toronto

Learning Objectives

The learning objectives are developed based on the Royal College of Physicians and Surgeons of Canada objectives of training in Adult Critical Care.

By the end of the program, participants will be able to:

- Describe evidence-based approaches to assessment of adult patients with critical illness;
- Develop and implement evidence-based management plans for adult patients with critical illness.

Each session is 45 minutes with a minimum of 25% dedicated to participant interaction.

SATURDAY, JUNE 8, 2024

Sessions will be held in British Columbia / Alberta / Quebec

Exhibits and breaks will be held in British Columbia Foyer
